

JUNIPER HILLS TOWN COUNCIL
General Meeting
October 5, 2011
MINUTES

The meeting was called to order by President Vance Pomeroy at 7:04 p. m.

The Flag Salute was led by Cathy Conrad.

3. The roll was called by Secretary Walt Grabe. Present were Vance Pomeroy, Lori Weatherbie, Cathy Conrad, Brenda Avadian, Walt Grabe and Don Pierce.
4. Minutes for July were approved as corrected, Minutes for September were approved, without objection.
5. The Treasurer's Report was approved, without objection. Treasurer Don Pierce informed us that the IRS had erroneously dropped us from their list, and that he will resubmit the form 990 in a month.
6. Communications: Free dump day at the Lancaster landfill Oct. 15, 8:00 a. m. until noon; Draft EIR for LADWP Barren Ridge Transmission Line project is available for review
7. Community and JHCA Events: JHCA Pancake Breakfast and Holiday Boutique 10-22, JHCA/JHTC Wine Tasting 11-12, and at Devil's Punchbowl County Park, Draconid Meteor Shower program 10-7, Full Moon Hike 10-8, Telescope Program 10-22
8. Guest Speaker Ranger Dave Numer entertained us as usual – Ranger Dave is always a hit – discussing our local ecology and displaying members of his menagerie, including a tarantula and a scorpion, and a very buzzy rattlesnake. Unfortunately new rules precluded his bringing our favorite owl.
9. Future Speakers: Hope to have Art Evans in March, USFS in May, Indian Museum, Edwards AFB in future
9. YOYO Committee: Next meeting 10-6, LACo Resource directory available, Lori has Disaster Preparation Guide, committee recommends new long-range 2-way radios
10. Resource Development Committee: Winetasting 11-12, sweatshirts available at boutique on 10-22
11. Webmaster Report: Website is current. We need to add a revision date for updates
12. Election Committee: As of this date, Lori Weatherbie and Don Pierce have filed for re-election
13. JHCA Liaison: Note to provide speaker information for JHCA bulletin
14. JH Water Group: Status quo, nothing new to report.
15. ARTC: Vance attended last meeting, discussions about solar fields, hauled water
16. Unfinished Business: Hauled Water – meeting upcoming with Regional Planning and State Environmental Health – details not yet available
17. New Business: Light pollution and Dark Sky Ordinance will require our attention.

Meeting adjourned at 8:35 p. m.

Walt Grabe, Secretary
