Emma and Road Department Signs</b></p>
<p>Ms. Richter reported she had read about eighty percent of the reference materials. She stated that reading the material is very tedious and time consuming and she hoped to have something more conclusive at the next meeting.</p>	<p><b>Non-Profit Status</b></p>

<p>She stated that one very crucial area is the necessity to fill out the forms, stating what you have done in the past, what you are doing, and what you plan to do, in detail. A four year financial report is necessary as well. It appears that the Council will become a Board of Directors.</p> <p>It is recommended that all forms be completed before anything is submitted for approval.</p>	
<p>No Report</p>	<p><b>PWD</b></p>
<p><b>NEW BUSINESS</b></p>	
<p>No forms have been submitted. A couple of properties have been reported to Mr. Hickling for possible violation.</p>	<p><b>Possible Code Violations</b></p>
<p>Mr. Pierce reported that Junibeas, under the "Adopt a Highway" program, pick up trash from the Bowl to Ft. Tejon on 106h St. It was suggested that the Council apply for either the top of the loop, around Juniper Hills Rd, or down Longview Rd. It was reported that Mr. Bruce Love picked up what amounted to four bags of trash on the large curve below the Duecker home and four more bags of trash below Fulchers. Personal mail was found in both and are being reported.</p> <p>Mr. Pierce offered to contact Dorothy Winfield to obtain info on the "Adopt a Highway" program. It was determined that a section of Longview be adopted by the Council.</p>	<p><b>Trash</b></p>
<p>Complaint about County retroactive requirement for a CUP on the "Steele" well was discussed. Mr. Pomeroy stated the threats made in the letter were extremely out of order. Mr. Pomeroy stated that, in his mind, Mrs. Zera is in compliance. Mr. Hickling asked to have the document and stated he would handle it and report back.</p>	<p><b>CUP for Shared Wells</b></p>
<p>Question was asked as to the legality of riding ATV's in Juniper Hills. Deputy Engles stated that an ATV may be ridden on a person's own property; on private roads; and ridden across a public road, from one side to the other, at a 90 degree angle. OHV stickers are not required on private property. If the ATV is ridden elsewhere then an OHV sticker is required. If a rider is in violation, i.e. trespassing, the Sheriff's department encourages the property owner to perform a citizen's arrest. A private road is a road that is not maintained by the County. The only unpaved County road in Juniper Hills is Butterfield Stage Road, which is oiled.</p>	<p><b>Use Of ATV's In Juniper Hills</b></p>
<p>Mr. Reichel questioned the Council as to whether it had any thoughts about the longevity of a Committee. Mr. Pomeroy stated that the Resource Development committee appeared to dissolve on it's own. If the council feels a committee is not getting good response from a committee, it can redirect the committee or it can dissolve the committee. Mr. Reichel stated that some committees may need to be reviewed.</p>	<p><b>Committee Longevity</b></p>
<p>Mr. Reichel stated a number of trails and roads are being closed for a variety of reasons. Mr. Pomeroy explained prescriptive rights.</p>	<p><b>Trail and Road Closures</b></p>
