OLD BUSINESS

Update - Bob Wise conducted a phone vote of the JHCA Board to secure the use of the Community Building for the first Thursday of each month for use by the Standards Committee. The vote passed.

Signage – Status

The JHCA approved the placing of a Town Council sign beneath the Association sign. Mr. Weatherbie stated he has the wood and needs to purchase the paint to complete the assignment.

There is an organization in Santa Clarita Valley, Santa Clarita Valley Well Owners Association, which is showing some interest in the Town Council's dilemma regarding potable water and water hauling. Mr. Hickling stated that negotiations are still going on with the Department of Public Health. Mr. Antonovich has, once again, directed the Health officers to give scientific reasoning behind their decision.

Display of advertising signs at two major intersections. Everyone was quite surprised that the signs were gone, and noted that one or two were now returning.

Mr. Nuckolls has put a Stop Order on Construction for the property located at 30900 106th St East.

Mr. Pomeroy, once again, invite members of community to participate on Election Committee for 2005.

Mr. Weatherbie stated that development of the Web Page would be ongoing. He asked the Council to check on it, periodically, and to send him comments.

The council discussed an "assignment" of the site. Mr. Weatherbie stated the site is already in the name of the Juniper Hills Town Council, but that he would be willing to sign assignment papers if Mrs. Richter would prepare them.

NEW BUSINESS

Another Bike Race occurred in Juniper Hills. No one on the council had been advised in advance. Mr. Hickling suggested that Captain Whitt of the Palmdale Sheriff's Station be contacted to see if the JHTC could be included in those being notified.

Mr. Weatherbie stated that while the race was under way Mrs. Weatherbie had approached Mr. Dave Madison of the Santa Clarita Bicycle Club and asked him to contact a council member prior to any future races.

Lori Zink, chairman of the Fire Safe Council, stated she wanted to get information out about the Fire Safe Council and wanted approval to put something on the JHCA Bulletin Boards. Mr. Weatherbie stated she would need to seek approval of the JHCA and suggested she attend the June 5 General Meeting. He further suggested that she talk to the president of the JHCA, Bob Wise, and ask to have a few minutes to speak about the Fire Safe Council.

Two possible boundary definition corrections to the Juniper Hills Town Council Boundaries were provided to council members for consideration for the Boundary Description in the proposed Community Standards. The corrections are necessary in order to bring the boundaries into alignment with the map Motion was made by Mrs. Bridwell, second by Mr. Weatherbie to approve the more modern, detailed description which follows:
